All public meeting areas are accessible to those who are physically disabled.

This 30-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed regulations.

All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, Suite 502, Landon State Office Building, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for approving, amending and approving, or rejecting the proposed regulations.

The regulations which will be heard during the regulatory hearing portion of the meeting are as follows:

115-2-1. Amount of fees. This permanent regulation is proposed for amendment. It establishes fees for wildlife related licenses, permits and stamps. Proposed amendments address: a two-bird turkey permit; non-resident deer permit; sandhill crane permit; trout permit; and commercial rattlesnake special event, harvest and dealer permits.

Economic Impact Summary: The amount of revenue increase to the department is estimated to be \$81,000. This represents a cost to those members of the public choosing to participate in activities for which the several permits are required.

115-8-22. Concession operations on department lands; contracting provisions and restrictions. This proposed new permanent regulation establishes a procedure whereby certain concession contracts could be renewed or initiated through direct negotiation.

Economic Impact Summary: No economic impact is anticipated.

115-9-6. Nonresident turkey permit; fishing. This proposed new permanent regulation provides that a nonresident turkey permit would also be a valid fishing license during the established turkey season.

Economic Impact Summary: The provision is expected to encourage additional interest by nonresidents in purchasing Kansas turkey hunting permits and encourage longer stays in Kansas. Certain businesses are expected to benefit.

115-17-16. Commercial use of prairie rattlesnakes. This proposed new permanent regulation provides for commercial events and for special event permits. It establishes application and reporting requirements and operational procedures.

Economic Impact Summary: It is estimated that one such permit would be issued at an anticipated, but yet unset, fee of \$25. All harvest, possession and sales of prairie rattlesnakes are set in conjunction with a special event.

115-17-17. Commercial prairie rattlesnakes harvest permit; permit application and requirements, authority, reports, general provisions and permit revocation. This proposed new permanent regulation establishes commercial prairie rattlesnake harvest permits for the taking of prairie rattlesnakes on a commercial basis.

Economic Impact Summary: It is estimated that 90 harvest permits would be issued producing revenue to the department of \$600.

115-17-18. Commercial harvest of prairie rattlesnakes; open area, daily bag and possession limit. This proposed new permanent regulation establishes area open to harvest and limits.

Economic Impact Summary: No economic impact is anticipated.

115-17-19. Commercial harvest of prairie rattlesnakes; legal equipment, taking methods and general provisions. This proposed new permanent regulation authorizes various methods and equipment for the commercial taking and holding of prairie rattlesnakes.

Economic Impact Summary: No economic impact is anticipated.

115-17-20. Commercial prairie rattlesnake dealer permit, permit application and requirements, authority, reports, general provisions and permit revocation. This proposed new permanent regulation establishes commercial prairie rattlesnake dealer permits for the buying and selling of prairie rattlesnakes.

Economic Impact Summary: It is estimated that three dealer permits would be issued producing revenue to the department of \$225 using a \$75 per permit cost. The permit cost has yet to be established by regulation.

115-30-10. Personal watercraft, definition, requirements and restrictions. This proposed new permanent regulation defines a personal watercraft and addresses the wearing of PFD's, use of lanyards, time of operation, operational restrictions and minimum age of operators.

Economic Impact Summary: No economic impact is anticipated.

State of Kansas

Kansas Commission on Governmental Standards and Conduct**Advisory Opinion No. 93-39**

Written December 2, 1993, to Mary Holladay, Chief of Staff, Office of the Governor, Topeka.

This opinion is in response to your letter of October 28, 1993, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Campaign Finance Act (K.S.A. 4142 *et seq.*).

Factual Statement

We understand you request this opinion on behalf of Governor Finney. You advise us that the Governor would like to use campaign funds to run an active issues campaign using media coverage by newspapers, radio and television to gain public support for legislative programs before the 1994 Legislature.

Question

Would the use of campaign funds for media expenditures to support the Governor's legislative program be a permissible use of campaign funds?

Opinion

K.S.A. 25-4157a(a) is applicable to your question. That section states:

No moneys received by any candidate or candidate committee of any candidate as a contribution under this act shall be used or be made available for the personal use of the candidate and no such moneys shall be used by such candidate or candidate committee of such candidate except for legitimate campaign purposes or for expenses of holding political office.

For the purpose of this subsection, expenditures for "personal use" shall include expenditures to defray normal living expenses for the candidate or the candidate's family and expenditures for the personal benefit of the candidate having no direct connection with or effect upon the campaign of the candidate or the holding of public office.

The issue is whether the expenses you have described are for the purpose "of holding political office." We are satisfied that advancing a Governor's legislative agenda is one of the duties of holding that political office and, therefore, the costs associated with media expenditures to advance that goal may be made from campaign funds.

Advisory Opinion No. 93-40

Written December 2, 1993, to the Honorable James L. Francisco, Lieutenant Governor, Topeka.

This opinion is in response to your letter of November 4, 1993, in which you request an opinion from the Kansas Commission on Governmental Standards and Conduct concerning the Campaign Finance Act (K.S.A. 25-4142 *et seq.*).

Factual Statement

We understand you request this opinion in your capacity as Lieutenant Governor. You advise us that in that capacity you have made expenditures for the cost of holding public office and contributions have been received that you generated and placed in the Finney Gubernatorial Account. You understand that a Lieutenant Governor may not have an independent campaign account.

Question

You ask whether you have a right to any of the campaign funds in the Finney Gubernatorial Account and what say you have in how those funds are distributed.

Opinion

K.S.A. 25-4144 states:

Not later than 10 days after becoming a candidate, every candidate shall appoint a treasurer or in lieu thereof shall appoint a candidate committee. The treasurer so appointed may be the candidate making such appointment. No candidate shall appoint more than one candidate committee to exist at the same time. If a candidate appoints a candidate committee, such candidate shall appoint a chairperson and a treasurer thereof, and the treasurer so appointed may be the candidate. No person who is registered as a lobbyist in accordance with K.S.A. 46-265 and amendments thereto shall be eligible for appointment as treasurer for any candidate or candidate committee. The name and address of each treasurer and chairperson appointed under this section by a candidate for a state office shall be reported to the secretary of state by the candidate not later than 10 days after such appointment. The name and address of each treasurer and chairperson appointed under this section by a candidate for a local office shall be reported to the county election officer by the candidate not later than 10 days after such appointment. The candidate for governor shall carry out the requirements and responsibilities of the candidate under the campaign finance act, for the pair of candidates for governor and lieutenant governor, unless another specific provision applies.

K.S.A. 25-4146(b)(1) and (2) state:

(b) No contribution or other receipt shall be received or expenditure made, by or on behalf of a candidate, pair of candidates or candidate committee, except receipt or payment of a filing fee:

(1) Until such candidate appoints a treasurer and makes the report required by K.S.A. 25-4144 and amendments thereto; and

(2) unless by or through such treasurer.

From a review of these sections, it is clear that nothing can be done on behalf of a pair of candidates, except payment of the filing fee, until a treasurer is appointed. Also, the candidate for governor has sole discretion, in the pair of candidates for governor and lieutenant governor, on the Appointment of Treasurer

form. Finally, all contributions must be received and all expenditures made by or through the treasurer. Thus, it is our opinion, absent some legally enforceable agreement between the Governor and Lieutenant Governor which does not violate the Campaign Finance Act, that the treasurer appointed by the governor has sole dominion and control of the governor - lieutenant governor fund.

Department of Health
and EnvironmentNotice of Hearing on Proposed
Administrative Regulations

The Kansas Department of Health and Environment will conduct a public hearing at 1:30 p.m. Friday, January 21, in the MTAA conference room in the Air Terminal at Forbes Field, 6700 S. Topeka Blvd., Topeka. KDHE staff will be available at the hearing. The purpose of this public hearing is to consider adoption of the proposed amended permanent regulations K.A.R. 28-31-1, 28-31-2, 28-31-3, 28-31-4, 28-31-5, 28-31-6, 28-31-8, 28-31-8b, 28-31-9, 28-31-10, 28-31-11, and 28-31-14. These regulations pertain to the management of hazardous waste.

There are two purposes for the regulatory changes proposed in this regulatory package. The first is to incorporate new regulations and changes to existing regulations which have been promulgated by the U.S. Environmental Protection Agency (EPA) between July 1, 1989, the date of the last KDHE adoption of federal requirements, and July 1, 1992. The second reason for proposed changes concerns state specific program requirements which make regulatory changes necessary.

The proposed changes to most of the regulations are primarily designed to maintain KDHE authorization from the EPA to conduct the federal hazardous waste management program in lieu of EPA. The economic impact upon the regulated community will be minimal because these regulations are already in effect at the federal level. The exceptions are K.A.R. 28-31-10 and 28-31-11. These two regulations are proposed to be amended so that the fees related to the hazardous waste program are more equitably distributed among the regulated community.

K.A.R. 28-31-10. Hazardous waste monitoring fees. The amendments proposed to this regulation would have an economic impact on the same group of hazardous waste generators, transporters, and facilities currently subject to these fees. The fee categories listed in this regulation have been subdivided into on-site and off-site management of hazardous waste. As a result of this subdivision, on-site facilities, the category which includes most generators, will pay less in monitoring fees than off-site facilities. There is no significant economic impact to governmental units or private citizens under these changes.

K.A.R. 28-31-11. Hazardous waste perpetual care trust fund fees. This regulation will affect one Kansas facility. The fees collected from this facility will increase to a level which will bring payments to the trust fund more into line with the purpose of the regulation. Other hazardous waste facilities, governmental units, and private citizens will not be affected by this change.

Copies of the regulations and a complete economic impact statement may be obtained from the Kansas Department of Health and Environment, Bureau of Waste Management, Forbes Field, Topeka 66620, (913) 296-1606. Questions pertaining to these proposed rules

should be directed to George McCaskill at (913) 296-1606.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written comments prior to the hearing. Written comments should be directed to George McCaskill at the address above. All interested parties will be given reasonable opportunity during the hearing to present their views, orally or in writing, concerning the adoption of the regulations. Following the hearing, all comments will be considered in determining whether to make changes to the proposed regulations.

**Sedgwick County, Kansas
Notice of 1993-1994 Mortgage
Credit Certificate Program**

Sedgwick County, Kansas, in cooperation with the Kansas Department of Commerce and Housing and other political subdivisions of the state of Kansas, announces the 1993-1994 Kansas Mortgage Credit Certificate Program. Section 25 of the Internal Revenue Code of 1986, as amended, authorizes issuers of qualified mortgage bonds, such as Sedgwick County, to elect to issue Mortgage Credit Certificates (MCCs) in lieu of qualified mortgage bonds. MCCs entitle qualifying individuals to a credit against the individual's federal income tax. The amount of the credit is determined by multiplying the certificate credit rate by the amount of interest paid or accrued during each taxpayer's taxable year on the mortgage loan for the taxpayer's "Principal Residence." In order for an individual to claim the credit provided by Section 25(a), the MCC must be a "qualified mortgage credit certificate" issued pursuant a "qualified mortgage credit certificate." The following criteria/requirements must be met:

Principal Residence Requirement

The homebuyer(s) must use the residence as his or her Principal Residence within a reasonable time [sixty (60) days] after the MCC is issued. The MCC holder must notify the Issuer of the MCC if the residence ceases to be his or her Principal Residence.

New Mortgage Requirements

A MCC cannot be issued in conjunction with the acquisition, replacement or refinancing of an existing mortgage. However, a certificate can be used in conjunction with the replacement of construction period loans, bridge loans, or other temporary initial financing with a term of twenty-four (24) months or less.

Three-Year No Prior Homeownership Requirement

The homebuyer(s) cannot have had any present ownership interest in a Principal Residence at any time during the preceding three years ending on the date the MCC is issued. This three-year, first time homebuyer requirement does not have to be met if the residence for which a mortgage loan application is being made is located in a federally designated targeted area. A targeted area is a particular area in the state determined or approved by the federal government that will receive special consideration to provide an added stimulus to housing in that area.

Purchase Price Requirements

There are maximum allowable purchase prices for residences assisted by MCCs which vary based upon location, whether the residence being purchased is new or existing and whether the home is in a targeted area. The maximum purchase prices at this time are:

| | NEW HOMES | | EXISTING HOMES | |
|---|------------|-----------|----------------|----------|
| | Non-Target | Target | Non-Target | Target |
| Wichita MSA (Sedgwick, Butler & Harvey) | \$88,200 | \$107,800 | \$61,020 | \$74,580 |
| Kansas City MSA (Leavenworth, Wyandotte, Johnson & Miami) | 143,010 | 174,790 | 83,610 | 101,420 |
| Lawrence (Douglas) | 88,470 | 108,130 | 62,460 | 76,340 |
| Topeka MSA (Shawnee) | 88,470 | N/A | 79,020 | N/A |
| Geary County | 88,470 | 108,130 | 50,760 | 62,040 |
| All Other Areas | 88,470 | N/A | 50,760 | N/A |

Homebuyer Income Limits

The homebuyer must have family income at or below the income limit for the area in which the residence being purchased is located, considering family size and whether the home is located in a targeted area. The homebuyer income limits at this time are:

| | NON-TARGETED AREAS | | TARGETED AREAS | |
|---|--------------------|------------|----------------|------------|
| | 1-2 persons | 3+ persons | 1-2 persons | 3+ persons |
| Kansas City MSA (Leavenworth, Wyandotte, Johnson & Miami) | \$43,200 | \$49,680 | \$51,840 | \$60,480 |
| Topeka MSA (Shawnee) | 41,200 | 47,380 | 49,440 | 57,680 |
| Wichita MSA (Sedgwick, Butler & Harvey) | 41,200 | 47,380 | 49,440 | 57,680 |
| Lawrence (Douglas) | 40,800 | 46,920 | 48,960 | 57,120 |
| All Other Areas | 37,700 | 43,355 | 45,240 | 52,780 |

Methods by Which Certificates Are Issued

Prior to the mortgage loan closing, an application and supporting affidavits and documents must be submitted to Ranson Capital Corporation, as Compliance Agent for Sedgwick County. The Compliance Agent will review these documents and either reject or accept the application. At the mortgage loan closing a Closing Affidavit is prepared and sent with supporting documents to the Compliance Agent, and if all documents are acceptable a Mortgage Credit Certificate is issued by Sedgwick County which will allow homebuyers to claim the credit.

Sedgwick County will begin accepting applications for MCCs after January 1, 1994. In order to comply with federal requirements, Mortgage Credit Certificates may not be issued prior to the date which is at least 90 days after the date of publication of this notice.

For further information, contact Tami Novotny, Ranson Capital Corporation, Compliance Agent, at (316) 262-4955, or Louanna Burress, Sedgwick County, (316) 383-7575.

Department of Revenue
Division of Taxation

Public Notice

The Kansas Department of Revenue has been asked to identify when charges for sales of tangible personal property to automobile dealerships, paint, body, and repair shops are exempt from sales tax.

K.S.A. 79-3606(n) exempts from sales tax "all sales of tangible personal property which is consumed in the production, manufacture, processing, mining, drilling, refining or compounding of tangible personal property, the providing of services or the irrigation of crops for ultimate sale at retail within or without the state of Kansas."

The following purchases of tangible personal property are generally exempt under K.S.A. 79-3606(n) when the purchases are consumed in the providing of a taxable service:

| + sand paper | + masking tape |
| + masking paper/plastic | + rubbing compound |
| + emery cloth | + thinners |
| + soaps and degreasers | + windshield cleaner |
| + steel wool | + tac rags |

K.S.A. 79-3606(m) exempts from sales tax "all sales of tangible personal property which become an ingredient or component part of tangible personal property or services produced, manufactured or compounded for ultimate sale at retail within or without the state of Kansas."

The following purchases of tangible personal property by automobile dealerships, paint, body, and repair shops are generally exempt under K.S.A. 79-3606(m) or as purchases for resale:

The automobile dealerships, paint, body, and repair shops should collect sales tax on these items when they invoice their customers for the sale of the item or when the item is included as part of a service charge.

The lists provided contain only examples of sales of tangible personal property to automobile dealerships, paint, body, and repair shops that are generally exempt from sales tax. These examples are not all-inclusive but should be merely used as a guide. Additionally, when automobile dealerships, paint, body, and repair shops remove material from inventory for use in repairing their own vehicles which are not held for resale, the appropriate Kansas sales tax(es) shall be accrued and remitted to the state of Kansas on the cost of the materials.

The Kansas sales tax is due on all retail sales of tangible personal property taxable under the Kansas Retailers' Sales Tax Act (hereinafter referred to as the Act). For the privilege of engaging in the business of selling tangible personal property at retail in the state of Kansas, each and every retailer shall have the duty to collect from the final consumer or user, the full amount of the tax imposed by the Act, unless the purchaser is specifically exempt from taxation under the Act.

Firms engaged in the repair, rebuilding or repainting of automobiles are the final consumer or user of the following:

|----------------------|-----------------------------|----------------|
| + floor sweep | + shop cleaning supplies | + tools |
| + car wash machines | + air filters for equipment | + hoses |
| + pad washers | + electric extension cords | + brooms |

The list provided contains only examples of sales of tangible personal property to automobile dealerships, paint, body, and repair shops that are generally subject to sales tax. These examples are not all-inclusive but should be merely used as a guide.

Automobile dealerships, paint, body, and repair shops that buy items such as tools, work clothes and work shoes that are purchased for resale to the ultimate consumer may purchase the items of tangible personal property exempt from sales tax. However, the automobile dealerships, paint, body, and repair shops are obligated to collect and remit the appropriate amount of Kansas sales tax(es) on the gross receipts from these respective items.

This revenue notice supersedes all previous Department of Revenue rulings and opinions on this subject, and shall become effective upon its publication in the Kansas Register.
